Subject: Locker room regulation drafting request

Who's gonna do this one?

Rep. Schneider wants a bill requiring businesses, schools, health clubs, and anybody else, that operates a locker room, to have a written policy regarding the use of audio and video devices in the locker room. (One thing he is concerned about is cell phones that can take digital photos. As an aside, I recently saw an article somewhere about how some countries in Europe are worried about pedophiles using the phones to take pictures of kids in locker rooms.)

I will forward the voice mail describing the request in detail to whoever wants it.

Lonnie, part of this is probably yours, and you can use your LRB-0924/1 as a starting point.

I assume the rest of it is trade reg, as it requires a business that operates a locker room to have a written policy in place for its customers.

Somebody please tell me that I can forward the voice mail to you, and you will enter it, and take it from here.
